How can I be sure that my care and finances will be managed according to my wishes?

How can I make sure my wishes are carried out after I die?

How can I make sure that my assets are distributed the way I want?

If I'm diagnosed with a chronic illness, how can I keep from losing my home and assets?

Who will make healthcare decisions for me if I can't make them for myself?

How can I age with dignity and live as independently as possible for as long as possible?

How can I pay for my parents' care without bankrupting the family?

When I can't live at home anymore, where will I go?

How will I manage the care of my elderly parents? What will I do if there are problems?

# ONGOING SUPPORT THAT EVOLVES AS YOUR NEEDS CHANGE

## ESTATE PLAN

### Who Benefits:

Healthy people of all ages

### Helps You:

Establish a comprehensive plan for management and distribution of your property in the event of disability or death – a plan that can evolve as your situation changes

### Ideal For:

Singles, couples, and families

### People Who Benefit from This Service Are:

- Saving money for the future
- Healthy and active
- Living at home
- Not paying for long-term care
- Proactively planning for the future

## LONG TERM PLAN

### Who Benefits:

Families looking ahead to future care needs with a strategy for a long life

### Helps You:

Get a head start on a plan for paying for long-term care, protecting assets, and laying the groundwork for your financial security

### Ideal For:

Aging individuals and couples age 50+

### People Who Benefit from This Service Are:

- Healthy and living at home with no assistance; wanting to age in place
- Recently diagnosed with a chronic illness, but still able to manage self-care activities
- Concerned about the cost of future long-term care
- Wanting to preserve assets and/or have financial security for their spouse or children

## LIFE CARE PLAN

### Who Benefits:

Persons with declining health and those who oversee their care

### Helps You:

Protect the well-being of loved ones facing long-term illnesses, disabilities, or aging issues

### Ideal For:

Individuals with chronic illness, disability, or facing aging issues, and those who care for them

### People Who Benefit from This Service Are:

- Having difficulty with self-care activities
- Unable to live at home without assistance
- Increasing their reliance on family caregivers
- Looking for ways to pay for long-term care

## CRISIS CARE PLAN

### Who Benefits:

Loved ones needing immediate care

### Helps You:

Coordinate arrangements and oversee a loved one's long-term care and safety

### Ideal For:

Individuals who can no longer live safely in their homes

### People Who Benefit from This Service Are:

- Dependent on others for self-care
- In need of long-term care outside of the home
- Completely reliant on family or professional caregivers
- Must take action to pay for care without bankrupting the family

## PRIME SERVICE

Clinkscates Elder Law Firm, P.A. and Adams, Brown, Beran & Ball, Chtd. have teamed up to provide PRIME, an optional service strategically designed to pull together legal, financial, and health related services.

### Who Benefits:

- Loved ones receiving a combination of legal, financial, and/or health related services
- Caregivers and family members

### Helps You:

Receive seamless, coordinated advice on the three service areas listed above.

### Ideal For:

Individuals with chronic illness, disability, or facing aging issues, and those who care for them

### People Who Benefit from This Service Are:

- Increasingly reliant on family members or caregivers
- Those facing increased care expenses
- In need of help managing daily finances
